

Certificate of Completion

IndieCade 2024 Game Design Internship Program
June 10, 2024 - July 27, 2024

To Whom It May Concern,

We certify that Jianwen Ding has completed the IndieCade 2024 Game Design Internship Program. Over the course of this seven week program, Jianwen fulfilled their weekly assignments, worked consistently, completed and submitted a game project for Climate Jam 2024, and provided feedback for the other participating teams. All requirements of this internship have been satisfactorily completed. The date of completion is hereby established as July 27, 2024.

On behalf of IndieCade, we extend our sincerest appreciation to Jianwen for his valuable contributions and hard work in game development and furthering the message of climate justice as well as his support and collaboration with his fellow Climate Jam participants. Jianwen's efforts have enhanced and expanded the IndieCade community.

This certificate of completion serves as a testament to the exemplary achievement and signifies Jianwen's successful completion of the IndieCade 2024 Game Design Internship.

Sincerely,

Parker Mann
